DT project website

Ui design background be like→

Team name : (to be put on the upper corner or somewhere)

Also, put a search engine (search bar) in the website,

4 sections→(for each section, when we click on the bubble , new web page should open)

1. Blogs → this is where we create awareness

A]Give a section to people to write their comments and opinions

B]Newsletters of deep fake → user can subscribe, so put a subscribe button .

https://datajournalism.com/read/newsletters/detecting-deepfakes

https://www.livemint.com/ai/deepfake-dilemma-news-icons-warn-public-as-manipulated-videos-spread-heres-what-happened-11700288531490.html
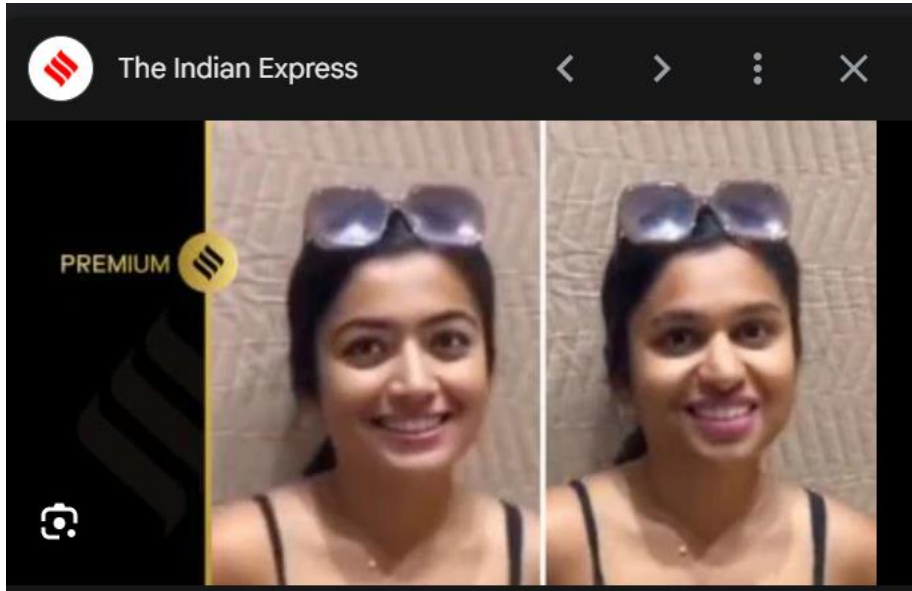

2. Tools →
   In this section, keep a space to provide a link to the deep-fake detector tool, so that we paste the tool's link there and user can access
3. Updates→
   Recent cases

A]

On November 07, 2023, a day after a licentious video of actor Rashmika Mandana surfaced on several social media platforms, she came out decrying about its authenticity. The actor's face unwittingly had been superimposed on the body of a British Indian influencer.

B]

Sachin's daughter Sara Tendulkar hits back after her deepfake photos, fake accounts run riot

C]

"It Isn't Me": Zerodha's Nithin Kamath Shares His Own Deepfake Video To Highlight Its Dangers

He talked of the difficulty in being able to verify customer identities as digitisation becomes common.

D]

A 73-year-old man in India fell victim to a deepfake scam after receiving a call from someone impersonating his former colleague and asking for money. The scammer used deepfake technology to create a video call in which the impersonator's face and voice matched the victim's former colleague. The victim transferred money before realizing he had been tricked. Police have traced the money to an account in Maharashtra and are investigating further. This is the first reported case of a deepfake scam in India.

E]

Manoj Tiwari

During the 2020 Delhi assembly elections, videos of Manoj Tiwari criticizing Arvind Kejriwal's policies were widely circulated.
